Moon Shiners Snowmobile Club of Pewaukee

pewaukeemoonshiners.com

It takes the help of snowmobile enthusiasts, like yourself, to keep, build and maintain the snowmobile trail system each winter. Wisconsin's trail system is maintained by club memberships and supported by registration and trail pass fees collected by the State.

As a member of the Moon Shiners Snowmobile Club you're ensuring snowmobilers have access to a great trail system in Waukesha County. Without volunteer help from club members and the landowners who allow trail access each winter, this sport would not exist.
